2. Languages translation

If you want change words in extension you can edit it by way:

- Go to : app\locale
- Choose folder language which for your website
- Edit file file name: MGS_Oscheckout.csv

ex:

- you want change 'Address' to ' Adresseexample' for english language, open file MGS _Oscheckout.csv at app\locale\en_US and change values 'Address' at second column to 'Adresseexample'
- Clear cache to see result.
