## 1. Extension Setting:

From Admin Panel -> Mage Solutions -> Deals -> Configuration

### - General:

- **Is Enabled:** Enable/Disable extension.
- **Add Link To Top Links:** Show or visible deals link on top link
- **Update Deals After:** Update deals status after order [...]

- **Deals Page:** Config deals page (title, meta description, meta keywords) for SEO

## 2. How to add deal:

- In admin panel, go to Catalog->Manage Products
- Choose a product and click “Prices” tab
- Set “Special Price” (Special Price < Price)
- Set “Special Price From Date” and “Special Price To Date”

If [**“Special Price From Date”** < now < **“Special Price To Date”**] then “Status” of deal will be **“Running”**

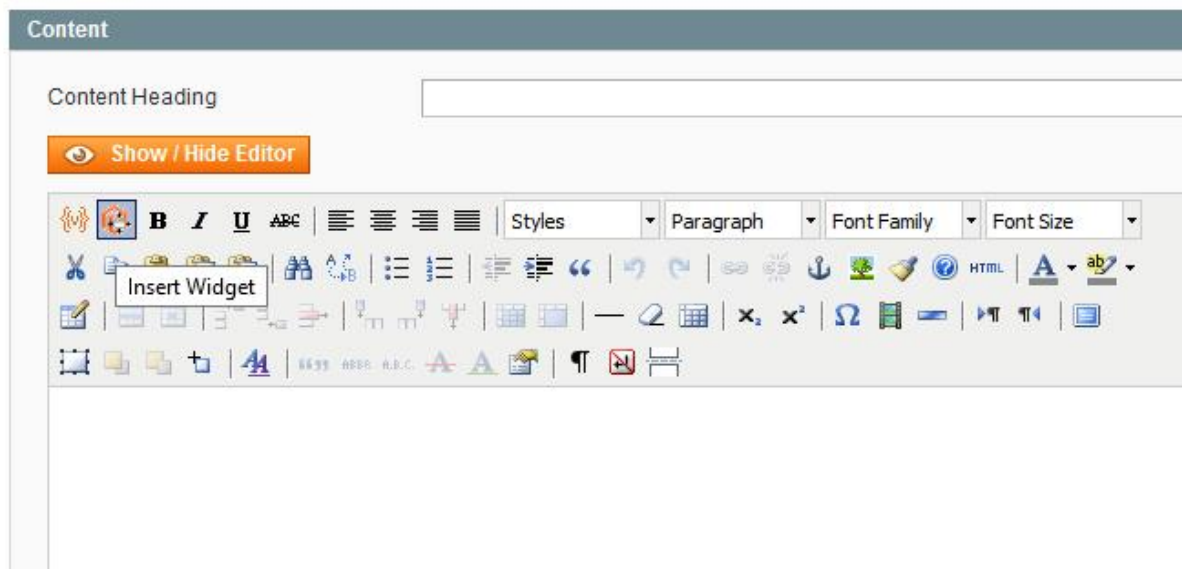

If [**now** < **“Special Price From Date”** < **“Special Price To Date”**] then “Status” of deal will be **“Processing”**

- Set “Deal Quantity”: This is maximum quantity for deal (only works for simple products).
- Save product.

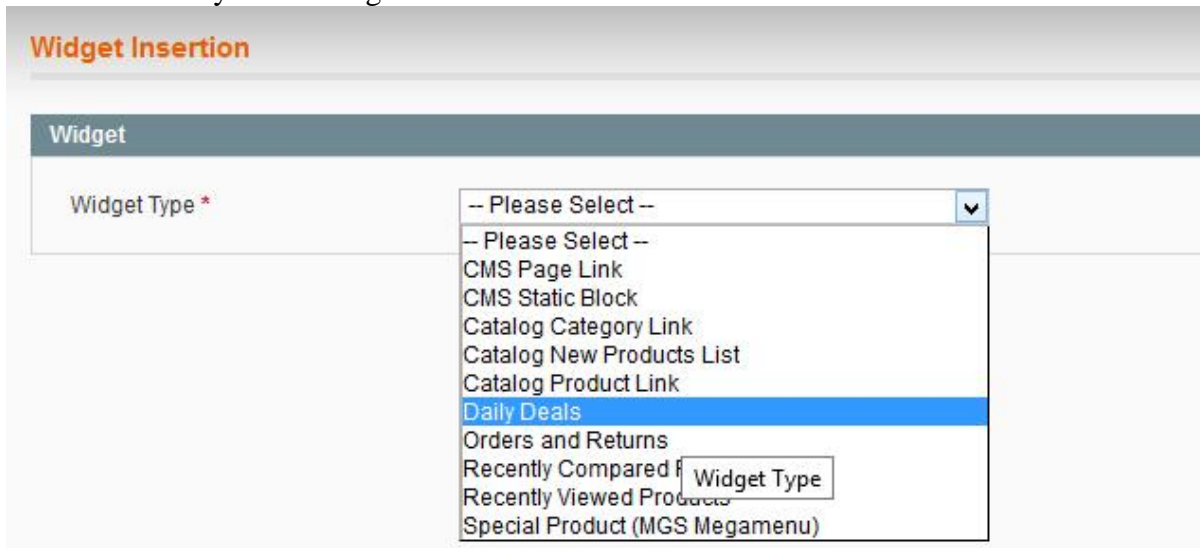

## 3. How to add deal widget

You can add deal to static blocks or cms pages:

- Click Insert Widget button

- Choose Daily Deals widget:

- Choose Deals to show:
